## ABOUT LOCAL GOVERNMENT PROFESSIONALS, SA

Local Government Professionals Australia, SA is a not-for-profit member based association representing professionals working in local government in South Australia. We have the ability to link and connect people from different councils who may not otherwise form relationships or share with each other. Our high quality professional development programs and networking events are uniquely local government – reflective of the culture of the sector and sensitive to the needs of its professionals. The content of our events and programs are informed by our members and people who genuinely care about the sector. We provide a safe and supportive environment in which to grow and learn while creating opportunities to make time away from the office to work on the business or on self. We award and acknowledge achievements of excellence.

---

## DEVELOPED BY THE SECTOR, FOR THE SECTOR

All proceeds from our networks are directly reinvested to further develop the local government sector through continued support of professional networks, events and learning and development initiatives for local government professionals.
