WOMEN'S NETWORK

About Local Government Professionals Australia, SA

Local Government Professionals Australia, SA is a not-for-profit member based association representing professionals working in local government in South Australia. We have the ability to link and connect people from different councils who may not otherwise form relationships or share with each other. Our high quality professional development programs and networking events are uniquely local government – reflective of the culture of the sector and sensitive to the needs of its professionals. The content of our events and programs are informed by our members and people who genuinely care about the sector. We provide a safe and supportive environment in which to grow and learn while creating opportunities to make time away from the office to work on the business or on self. We award and acknowledge achievements of excellence.

Developed by the sector, for the sector

All proceeds from our networks are directly reinvested to further develop the local government sector through continued support of professional networks, events and learning and development initiatives for local government professionals.

- Cancellations received between 2 weeks and 1 day prior to commencement: **50% refund**
- Cancellations received on the day: **no refund**

In all cases substitutions are a welcome alternative. In this instance, no fees will be charged but LG Professionals, SA must still be notified of the substitution as soon as practical.

In the event of extenuating circumstances, requests for waiver of cancellation fees **MUST** be made in writing to the CEO and will be honoured only if they have been confirmed in writing by the CEO.
