City of Adelaide

25 Pirie Street, Adelaide

## **Who should attend:**

This session is operationally focused for those responsible for the project management or data collection.

## **Aim:**

To come together and support each other to use and interpret the tool while also creating a peer support network.

## Program

### **Welcome and Introductions**

### **Overview of the LG Performance Excellence Program FY 18 results**

Sarah Gibson from PwC will walk attendees through the results and:

- Highlight key findings for SA councils
- Highlight changes from last year
- Discuss comparisons to the other jurisdiction

### **Council Comparative Analysis Tool (CCAT) - Deep dive on City of Adelaide (CoA)**

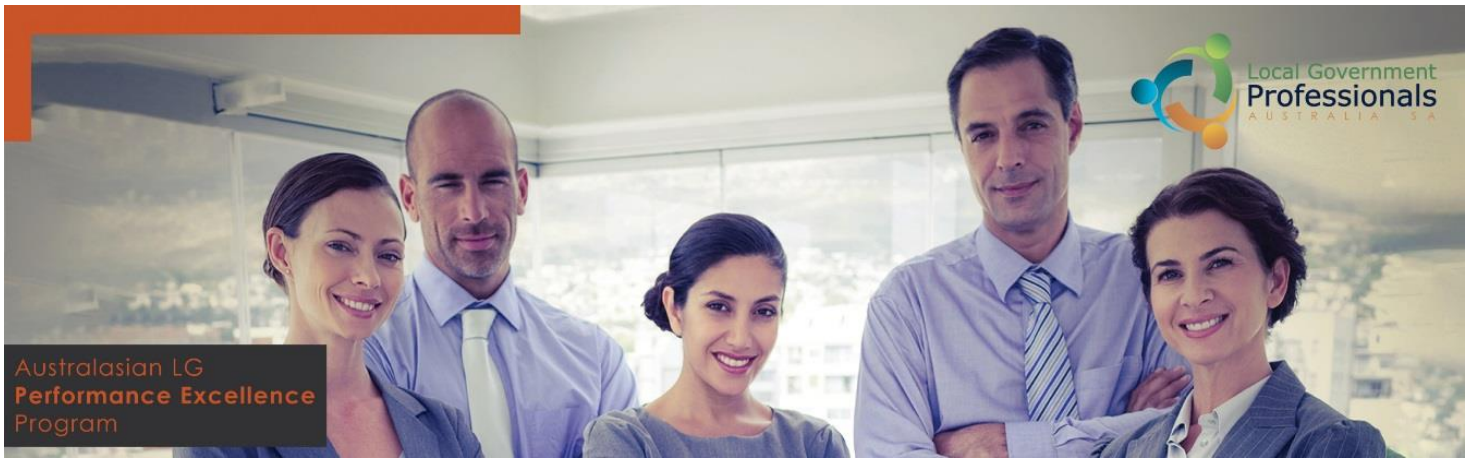

This session will:

- Demonstrate how to use the tool to tell a story about CoA
- Showcase workforce, operations, finance and service delivery
- Explore the use of filters and exporting charts

### **Council Comparison Window (CCW) Awareness**

Sarah Gibson will showcase the sample Council window.

### **BREAK – Networking Afternoon Tea**

### **Getting the most out of the LG Performance Excellence Program - Council Showcase**

Two Councils will share their processes on:

- Interpreting the results
- Using the comparative tool
- Sharing with their leadership teams
- How change has been prioritised and implemented

### **Data Submission Discussion**

In this facilitated discussion, Sarah Gibson (PwC) and Matthew Hulmes (CoA) will respond to queries and discuss how Council's using the tool can best support each other.

### **Table Discussions**

Bring your results along to share with other Councils and discuss your internal processes. You will also have the opportunity to ask PwC more Council specific questions.
