

# PEP User Group Forum

Monday, 24 June 2019

1:30 pm – 4:30 pm includes afternoon tea

City of Adelaide, 25 Pirie Street, Adelaide

## **Who should attend:**

This session is operationally focused for those responsible for the project management or data collection.

## **Aim:**

To come together as the SA Group on an agreed approach to service mapping based on the Service Area Definitions in preparation for the 18-19 submission.

## **Program**

### **Welcome and Introductions**

#### **City of Adelaide's Cultural Journey**

Matthew Hulmes and Roula Farquhar will talk through the City of Adelaide's Cultural Journey so far and their approach to the Performance Excellence Program.

### **Feedback from Councils in relation to the Service Area Definitions document**

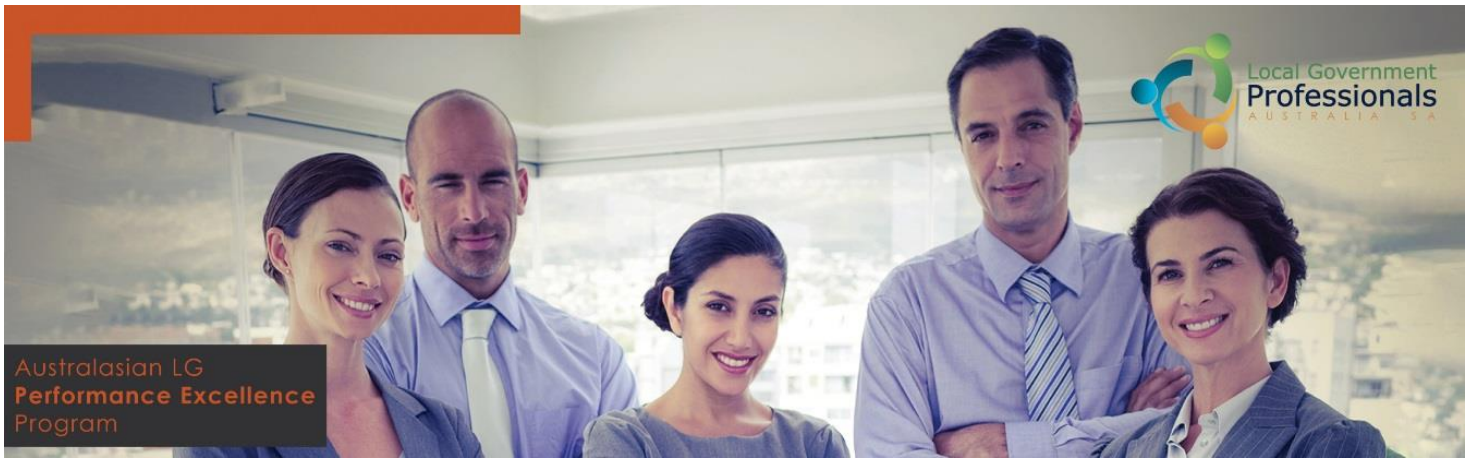

#### **Workshop the Service Mapping Process specifically focused on:**

- Where have people mapped their services?
- Where are the challenges?
- Where are they stuck?
- Work together as a group to reach an agreed approach

### **BREAK – Networking Afternoon Tea**

### **Finalise workshop and discussion around the next PEP forum 5th August 2019 (submission support)**

\*\*\* Attendees are encouraged to bring laptop and editable version of their submission.
