### ABOUT THE COMMUNITY MANAGERS NETWORK

The Community Managers Network is open to all LG Professionals, SA members who are managers working in the field of community development and community services in local government and allied sectors.

It has been established following broad consultation with community sector managers in a range of rural and metropolitan Councils in late 2006 and in 2010 became a Network of Local Government Professionals Australia, SA.

This workshop is presented to you by the LG Professionals, SA Community Managers Network.

### OVERVIEW

This half day Working with Communities workshop is an opportunity for local government practitioners to increase their knowledge and understanding of community development in local government.

The workshop builds on the Working with Communities induction kit e-resource published by the LG Professionals, SA Community Managers Network.

Please see over for information on presenter, Carla Leversedge.

### KEY LEARNINGS

At the end of this workshop you will:

- ∴ Develop a greater understanding about community wellbeing through community development and service delivery in local government
- ∴ Understand the language and values that inform and guide community development and service delivery
- ∴ Explore creative, innovative and cost effective community initiatives that meet community needs and expectations

### About Local Government Professionals Australia, SA

Local Government Professionals Australia, SA is a not-for-profit member based association representing professionals working in local government in South Australia. We have the ability to link and connect people from different councils who may not otherwise form relationships or share with each other. Our high quality professional development programs and networking events are uniquely local government – reflective of the culture of the sector and sensitive to the needs of its professionals. The content of our events and programs are informed by our members and people who genuinely care about the sector. We provide a safe and supportive environment in which to grow and learn while creating opportunities to make time away from the office to work on the business or on self. We award and acknowledge achievements of excellence.

---

### Developed by the sector, for the sector

All proceeds from our networks are directly reinvested to further develop the local government sector through continued support of professional networks, events and learning and development initiatives for local government professionals.
