

# Continuous Improvement Network

## Call for Nominations

### **Nominations are now open for the LG Professionals, SA Continuous Improvement Network Committee**

If you have a keen interest in or work in the Continuous Improvement sector and want to shape the future of Local Government, please consider this excellent opportunity to get involved and share your ideas!

### **About the Network**

The network aims to provide focus and a forum for discussion, debate, information sharing and collaborative activities for SA Local Government professional practitioners, in order to progress the role and influence of Local Government in achieving a culture of change, innovation and implementation of process and operational improvements.

The Continuous Improvement Network values are available [here](#).

The network holds 4 forums a year which explores topics affecting continuous improvement professionals in the sector.

### **Role of the Committee**

The Committee will meet roughly six times throughout the year on an as needed basis.

You will be involved in planning future forums and events for this network. This is a great opportunity to meet likeminded professionals in the Continuous Improvement space, where you can network, share ideas and shape the network's programs.

### **Nominations**

Nominations are open to all South Australian Local Government employees who have a role or particular interest in continuous improvement. Positions are for a 2-year term.

To nominate, please email Tahlia Willey at [connect@lgprofessionalssa.org.au](mailto:connect@lgprofessionalssa.org.au) by Wednesday, 12 December 2018.

Please submit up to one page including the following information:

- Your current position and organisation
- Summary of relevant experience and qualifications
- Motivation for involvement in the committee
- Your contact details

If you have any further queries please do not hesitate to contact Tahlia Willey on 8291 7994 or [connect@lgprofessionalssa.org.au](mailto:connect@lgprofessionalssa.org.au)
