

# Leadership Capability Framework Pilot Group Terms of Reference

13 June 2016

## **Purpose:**

To pilot the Leadership Capabilities Framework by:

- Embedding into relevant council activity as best you can
- Sharing feedback about the relevance and ease of use of the framework
- Sharing how you use it and any accompanying resources
- Assisting with the design of the evaluation process
- Identifying opportunities for improvement or expansion of the framework, including suggestions for the creation of any additional materials

## **Membership:**

Membership is open to any LG Professionals SA members who are interested and will include:

- A minimum of one representative from a country council.
- Proxies or additional representatives can join as required based on skill or relevance to the agenda.

## **Meetings:**

The Pilot Group will aim to meet at least twice – on initiation and prior to November consultation process.

The Pilot Group will make its best effort to have these meetings face to face.

Business can be handled by e-mail.
