## WHO IS LG PROFESSIONALS SA?

LG Professionals SA is an independent not-for-profit membership Association. We believe that all staff in local government should have the opportunity to be their best. Whether you are at the beginning, middle or latter stage of your local government career, we offer opportunities to suit your professional development needs.

We are owned by our members – all of whom are individuals working in the local government sector in SA.

We offer a range of professional development opportunities throughout the year, including, but not limited to:

- ▾ Networks – ongoing participation and forum attendance
- ▾ Leadership Programs
- ▾ Conferences and Events
- ▾ Short Course Training
- ▾ In-House Training

All of our offerings are designed by and for the sector, with 100% of proceeds invested back into developing further content and offerings for our members.

Membership is for all professionals in local government – both indoor and outdoor workforce.
