

# LG Professionals SA Women's Network Committee

## Call For Nominations

**The LG Professionals SA Women's Network Committee is calling for nominations for Committee Members.**

If you have a keen interest in creating opportunities for female local government professionals to thrive, please take this excellent opportunity to get involved!

We invite nominations for the following positions:

- Seven positions for a two-year term, concluding 30 November 2025

**The Call for Nominations will close at 5pm Monday 27 November 2023.**

## About the Network and Committee

The LG Professionals SA Women's Network aims to maintain and improve the role of women employed in local government, to celebrate their contributions, and to identify and provide opportunities to network and/or access development and training.

### Network Eligibility:

LG Professionals SA members who are women and work for a local government entity or subsidiary.

The Women's Network Committee meets every six weeks, with meetings generally held 9:30 AM - 11:00 AM on a Thursday with the option to attend in person or via Zoom. Distance shouldn't be a barrier to getting involved.

During these meetings, the Network Committee progress the Network's priority areas - to maintain and improve the role of women employed in local government, to celebrate their contributions and identify and provide opportunities to network and access development and training. They support the delivery and planning of 3 forums a year, as well as an Annual Conference, with brainstorming and sharing of ideas relating to event curation taking place in Committee meetings. At times, subcommittees may be formed to progress certain initiatives.

The Women's Network and Women's Network Committee provide a safe and welcoming place for Women of all levels to come together, make new connections and support others.
